

May 25, 2011

Letter to the Editor

On May 18, 2011 Remedies Renewing Lives held their Annual Golf Outing at Aldeen Golf Club. This was the fourth golf outing for the Agency which provides both domestic violence and substance abuse treatment services. The weather was not cooperative, but our outstanding sponsors and golfers fared the cool damp weather in support of our Agency.

We want to thank the golfers and our major sponsors Spectrum Insurance, Riverside Bank and WREX for their help in raising \$16,000 for domestic violence services. Other special partners in the event were Hamilton Sundstrand Women in Aerospace, Rockford Bank & Trust, Anderson Packaging, US Bank, Harris Bank, McGreevy Williams, Midland Financial, Swedish American Hospital, Rockford Health Systems, City of Rockford Human Services, William Charles, OSF St. Anthony, Savant Capital Management, Paul Logli, and Lisa Munch.

Thank you for working together and providing support to our Agency so we can continue to find remedies to renew lives.

Sincerely,  
Gary Halbach  
President/CEO
